

3 February 2006

RoHS Directive 2002/95/EC

Based on the information supplied and/or available to us from our raw material suppliers, the products manufactured and/or supplied by Channell Pty Ltd do not contain as intentional additives, any of the materials referenced below, and as referenced in the subject EU directives.

To the best of our knowledge, none of these materials are generated during production. We do not specifically run any analysis on our raw material or end product to measure for these materials.

Therefore we consider the requirements of the EU Directive 2002/95/EC as fulfilled.

Hexavalent chromium compounds.
Cadmium and its compounds.
Mercury and its compounds.
Lead and its compounds
Polybrominated diphenyl ethers (PBDEs)
Polybrominated biphenyls (PBBs)
