WINMAGplus control center software - subsequent upgrade

This order number serves as an auxiliary number for a subsequent optional extension or (e.g. additional client or subsequent connection of video systems) to an existing WINMAG installation from V 6.0. to V10 and WINMAGplus. The appropriate licenses must be ordered separately. The dongle need not be submitted.

Note on the respective licenses:

In each case only one license is necessary in order to connect an unlimited number of control panels to a PC. These licenses may be separately (subsequently) ordered only in conjunction with the auxiliary number 013609. The update number of the basic license must be indicated.

Please use order form printed in the catalog.
