## PALM TERMINATION TOOL

- Overmoulded ergonomic soft grip
- Easy-to-see wiring labels
- Jack holders provide stability for punchdown
- Incorporated retainer supports cable during termination
- Integrated holes allow rack mounting of the Palm Termination Tool for patch panel terminations
- Compatible with eXtreme® and GigaMax® jacks and QuickPort® AV connectors

## WIRE-PUNCHDOWN / TERMINATION TOOL

- Punches and trims each wire with just a single push of the handle
- Adjustable impact setting for minimal physical effort
- Spare blade storage in handle chamber
- Compatible with 110 IDC and LSA IDC blades
- Terminate 22-, 24-, or 26-gauge wire

## EZ-RJ45® CRIMP TOOL

- Quick, cost-effective unshielded wire terminations
- Built-in cutter and stripper that crimps and cuts wire in one operation
