

# OPTICAL CABLES | Loose-Tube Cables

## GLASS YARN ARMoured UNITUBE CABLE

- Glass-roving armour deters rodents from chewing through cables
- 4-12 fibre options constructed around a 2.90 mm gel-filled loose tube
- 16-24 fibre variants use a 4.00 mm loose tube
- Cable colour is black

## STEEL-TAPE ARMoured UNITUBE CABLES

- For direct-burial campus backbone applications
- Compact with excellent tensile and crush performance
- Constructed around 4.00 mm gel-filled PBT loose-buffered tube
- Cable colour is black
